

The Side Saddle Association[®] **Virtual Equitation – The Rules!**

Any on-line competition relies on people being honest!

Please don't enter classes that you are not eligible for as frankly it's just not fair!

We also ask you not to use social media to 'name and shame'

If you think someone is competing in lower level classes when they shouldn't be, please don't post your concerns on Social Media but email the Just So team with your concern and we will investigate and act appropriately.

Lecture over! Here are the rules for The Side Saddle Association Virtual Equitation competitions. Please read them carefully and if you are unsure about anything just email us at just-soequestrianevents@hotmail.com

7. The person operating the video camera must stand outside of the arena behind the 'C' marker so the rider enters the arena at 'A' riding towards the camera (judge). **PLEASE FILM IN LANDSCAPE VIEW. Arena letters must be clearly visible at all times during the recording.**
8. Commanders/callers may be used but any external verbal instruction given other than the test movements will result in elimination.
